Thanks, Yen. I gave it a quick look. I marked a few typo's in track changes and saved it on the Q:/Share (dh_edits). Also, I don't think Smagula is the Director of Generation anymore. PSNH has sent in a new contact authorized to sign NPDES permitting info., so I suspect the letter should go to that person.

We can discuss further reactions/comments at 10.

Subject: FGD 308 letter ready for OEP review

Damien, John:

Mark, Sharon and I have edited the FGD 308 letter and think it's ready for OEP to review and proceed with the next step. The file is named "FGD 308 ZLD_02-04-2013.docx" and is located at: Q:\Share\Merrimack Station\FGD 308 letter.

Thanks.
Yen
